

Lake Lucerne Cruise

Experience Lucerne Bay by sailing on the Panorama Yacht Saphir. During the hour-long trip, settle down in the spacious seating areas and savor the glorious views of the lake, the town and the mountains. The vessel sports an amazing sliding roof that, just like a convertible car, can be opened and closed according to the weather. To promote sustainable navigation, August onwards, the motor vessel shall be converted to a hydrogen-based propulsion system and would sail as Saphir H₂ Panorama Yacht.
